START &

CHORUS:
A7 *D* *G* *A*
Ha! Ha! Said the clown, has the King lost his crown,
D *A* *D*
Is the night dream tired on romance?
G *D* *G* *A*
Ha! Ha! Said the clown, is it bringing you down
d
That you've lost your chance?

1.
d *A*
Feeling low, got to go, see a show in town,
d *A* *d*
Hear the jokes, have smoke and a laugh at the clown,
d *C*
In a whirl see a girl with the smile in my eyes,
d *A*
Never thought I sh'ld be brought-right!-down by her lies!

2.
Feel in trance, watch you've dance to the beat of the drums,
Ask 'em now, sweat 'n' brow, I'm all think of the dumps,
Wonder why, hit the sky, when she blows me her fears,
In a while run a mile - I'm regretting' all this!

& CHORUS &

Instrument Part (flutes, pipes & whistles) *(d – A – d – A – d – C – d – A)*

3.
Got to go, close the show, wave the people good-bye,
Wrap my coat, wrap my hat, look that girl in the eye,
Where's your home, what's your phone-number, stop fooling 'round,
Threw the Dutch you would buy, "I'm the wife of the clown!
