1. You know I don't mind working and stand upon my feet

Cause I've got nine children, they all gotta eat.

I don't mind working, might bring it to the poor, oh yeah!

You got let me go when my work is done ...

CHORUS: I wanna be free, I gotta be free.

So take away these chains that are binding me

Cause I wanna be, yeah free!.

2. You know every month I get paid, than my wife asks me,

Yeah, something I'll tell you boy, we gotta big make!?

I don't mind working, might give a decent house, oh yeah!

You know, God, keep bringin' in my children's mouths ...

& **CHORUS** **&** **SOLO**

3. Can all the hard I work, nothing's for my money and gold.

There's something I ought 'o tell you boy, trying to gotta take it kind o' slow.

Mmm, make no difference the hard I work, yeah, there's something I lack!

You know all I get is a pain in my back ...
