(Blue Bus, © 1995; words edited by BLAX - private edition BLAXmusic)

**START** We're gonna one, two, three, four – one two three &

1. Come on up – you're body should be shaking loose tonight.  
Grab her, grab your lady-baby, come on so you do it right.  
Tell Fat Jack to jump back if you were to sell us some booze  
So you can party, do the stomp and butt on the rock'n'roll rhythm and blues.

**CHORUS:** Cause BLAX is back in town  
Yeah, BLAX is back in town.

2. I know that everybody when they hear the music will be doing it on the floor.  
Jump up and down and turn around and tell your babe you'd need some more.  
Cause tonight you can dance in romance and you can do the things you feel like doing  
But don' look surprised cause you know what I like and tonight we ought to do it!

**CHORUS:** Cause BLAX is back in town,  
Yeah, BLAX is back in town,  
Yeah, BLAX is back in town,  
And when BLAX is back there ain't no foolin' around!
