

BEACH BOYS MEDLEY (Part 1)

(Beach Boys – © 1962-1967; private edition BLAXmusic)

1. DANCE, DANCE, DANCE

1. After six hours at school I had enough for the day
I hit the radio down and tuned it up all the way

CHORUS: I gotta dance – dance, dance, dance, now it gets really hot ...
Right on the spot – dance, dance, dance right there on the spot
It feels really hot – dance, dance, dance, now it gets really hot ...
Dance – dance, dance – dance, dance – dance, yeah!

2. And when I flick good down I'm trying to shake it up thick,
With my chick by my side the radio does the trick.

CHORUS: I gotta dance – dance, dance, dance, now it feels really hot ...
Right on the spot – dance, dance, dance right there on the spot
It feel really hot - dance, dance, dance, now it feels really hot ...
Dance – dance, dance – dance, dance – dance, yeah - alright!

BRIDGE: I'm taking up good vibrations, she's giving me exaltations...)
Good, bap-bap, good vibrations, bap-bap, exaltations...)
Good, good, good, good vibrations...)

1. I'm getting bugged driving up and down the same old strip,
I gotta find a new place where the kids are hip.
My body's 'n' knee, you're getting real well known
Yeah, but that does more 's and you leave us alone.

CHORUS:I get around - get around, round-round, I get around
Round out of town - get around, round-round, I get around
I'm-a looking here - get around, round-round, I get around
Or make a real good friend - get around, round-round, I get around.
I get around – round

5. SURFING U.S.A.

START &

1. If everybody had an ocean, across the USA, *(oooooh)*
Then everybody 'd be surfing like California
You'd see them wearing their baggies, wore itchy sandals, too,
Bushy-bushy born hair-do - surfing USA.
2. You'd catch them surfing at Vermont into a county line, *(inside outside USA)*
Santa Cruz and passing to the beach of L.A.,
All over Manhattan and Waya-Nea Bay, *(inside outside)*
Everybody's gone surfing - *surfing* USA.
3. Well, I'll be planning out a loom, we're gonna take real soon, *(oooooh)*
We'll waxing down our surfboards, we can't wait for June.
We'll all be gone for the summer, we're on safari to stay
Tell the teacher we're surfing, surfing USA.
