(Howard Blaikley - © 1966; private edition BLAXmusic)

START:

1. Hold tight, count to three, gotta stay close by me
And hold tight, sing and shout, just wrap around the belt
And hold tight, shut your eyes, no use to think for sigh
Ay-aye-aye-aye-aye-ayeeays, forget the other guys.

CHORUS: You never fall, it's time you call
Hold tight, hold tight, hold tight.

2. Hold tight, make me feel what you say is for real
And hold tight, carousel, will you soon ring my bell
And hold tight, we will fly, swing it, oh, swing it high
Ay-aye-aye-aye-aye-ayeeay, we're gonna make the sky.

Hold tight, hold tight, hold tight.
