1. Well, baby used to stay out all night long,
She made me cry, she done me wrong.
She hurt my eyes open, that's no lie.
Tables turning, now her turn to cry ...

CHORUS: Because I used to love her,

But it's all over now!

2. Well, she used to turn around, with every man in town,
Spent all my money, playing a high-class game.
She put me out, it was a pity how I cried.
Tables turning, now her turn to cry ...

3. Well, I used to wake the morning, get my breakfast in bed,
When I gotten worried, she'd ease my aching head.
But now she's here and there, with every man in town,
Still trying to take me for that same old clown.
