## START &

**CHORUS:** Love me baby, love me when I'm down,  
Love me baby, love me when I'm down!  
Love me babe, always be around!

1. Throw your arms around me like a sunbeam round the sun,  
Throw your arms around me like a sunbeam round the sun!  
Oh, love me pretty baby, like we just begun!

**CHORUS:** Love me baby, love me when I'm down,  
You ought to love me baby, love me when I'm down!  
Should-a hang on to me baby, always be around!

1. Throw your arms around me like a circle round the sun,  
Throw your arms around me like a circle round the sun!  
Oh, when you love me, woman, like we just begun...
