1. I wanna tell you how it's gonna be –
You're gonna give your love to me.
I'm gonna love you night and day –
Love is love and not fade away!
Well, love is love and not fade away!

2. My love is bigger than a Cadillac
I'll try to show it if you drive me back.
Your love for me has got to be real
Before you have noticed how I feel.
Love is real and not fade away,
Well, love is real and not fade away! - Yeah!
