

PROUD MARY

(John C. Fogerty - © 1968; private edition BLAXmusic)

START:

1. Left a good job in the city,
Working for the man every night and day.
And I never lost one minute of sleepin',
Worrying 'bout the way things might have been.

CHORUS: Big wheel keeps on turning,
Proud Mary keeps on burning.
Rolling, rolling, rolling on the river,
Rolling, rolling, rolling on the river,

2. Cleaned a lot of plates in Memphis,
Humped along a train down in New Orleans.
But I never saw a good side of a city
Till I had arrived on a River Boat Queen.

3. If you come down to the river
I bet you're gonna find some people who live.
You don't have to worry 'cause you have no money,
People on the river are happy to give.

CHORUS & CHORUS & "rolling on the river!"
