1. My Skinny Minnie, she's a crazy chick,
Six feet high & a-one foot thick.
Do I love her just for her thigh,
She is the apple of my eye.

& CHORUS: Skinny Minnie, she's skinny & she's tall - that's all!

2. Though her shadow doesn't scoop much ground,
Wonder three feet - gets around,
Wonder, he says, what she'd be,
Even matter way too much for me.

& CHORUS: Skinny Minnie, she's skinny & she's tall - that's all!

& SOLO / animation-part

- 1 Well, she's not much thicker than a cannon ball
One half rock and the other half roll.
You can dig that chick from either side -
I know you younger love did she hide.
