

STONE FREE

(Jimi Hendrix - © 1967; private edition BLAXmusic)

START &

1. Every day in the week I'm in a different city.

If I stay too long people try to pull me down.

They talk about me like a dog, talking about the clothes I wear

But they don't realize, they're the ones who square, hey

And that's why you can't hold me down, I don't want to be down, I gotta move on,
wow

CHORUS: Stone free, do what I please,
Stone free, to ride the breeze
Stone free, I can't stay
I got to, got to, got to get away.

(Alright, listen to this baby)

2. A woman here, a woman there try to keep me in a plastic cage
But they don't realize it's so easy to break!
Oh, but sometimes I get a-ha, feel my heart kind of running hot.
That's when I've got to move before I get caught
And that's why (listen to me baby) you can't hold me down,
I don't want to be tied down, I gotta be free, owh! I said

& **CHORUS** (yeah owh, tear me loose baby) & **SOLO** (A), come on, hey

& **CHORUS** & Stone free, I gonna leave right now
Stone free, don't try to hold me back baby,
Stone free, go on down the highway
Stone free, bye-bye baby!
