**START** (Git & Drums)

1. There once was a woman, a strange kind of woman  
The kind that gets written down in history  
Her name was Nancy, her face was nothing fancy  
She left a trail of happiness and misery
2. I loved her, everybody loved her,  
She loved everyone and gave them good return.  
I tried to take her, I even tried to break her,  
She said "I ain't for takin' wont you ever learn?"

**BREAK I:** I want you, I need you, I gotta be near you!  
I spent my money as I took my turn  
I want you, I need you, I gotta be near you!  
Ooh, I got a strange kind of woman.

3. She looked like a raver but I could never please her  
On Wednesday mornings boy you cant go far  
I couldn't get her but things got better -- she said  
"Saturday nights from now on baby you're my star."

& **BREAK I** & ooh-ooh, ooh-ooh **x2** & Oh, my soul, I love you

& **SOLO (x4)** & **BREAK I / Drums** &

4. She finally said she loved me, I wed her in a hurry,  
No more callers and I glowed with pride.  
I'm dreaming, I feel like screaming,  
I won my woman just before she died.

**BREAK II:** I want you, I need you, I gotta be near you!  
I spent my money as I took my turn.  
I want you, I need you, I gotta be near you!  
Ooh, I had a strange kind of woman.
