

THE PARTY AIN'T OVER YET

(Status Quo © 2009; private edition BLAXmusic)

START

1. There's a trouble wind blowing through my crazy life,
I feel the chill begin, it's gonna be a long-long night.
I hear the thunder roll, but I don't fear the lightning strike
'cause deep inside I know I'm gonna make it through alright.

CHORUS: So let the walls come tumbling down, bring on the last sunset
I ain't moving to heartbreak town, the party ain't over yet.
Yeah, let the devil do his worst but don't take any bets
That life has finally quenched my thirst the party ain't over yet!

2 x Riff

2. Every drop of rain that ever fell into my eyes
Helps me ride this pain, they were a blessing in disguise,
And I know in time, this'll soon be yesterday
There's nothing I can't climb, I've got the will to find the way.

& CHORUS & 2 x Riff (Takte Pause)

BREAK: So when the morning comes, I'll do more than just survive,
I'll walk in to the sun, and live until I die!

& CHORUS &

The party ain't over yet - the party ain't over yet,

The party ain't over yet - the party ain't over yet!
