

# TULSA TIME

(E. Clapton - © 1987)

## Piano-Start &

1. <sup>G</sup> Well down in Oklahoma - drivin' in a Pontiac, just about to loose my mind <sup>D7</sup>  
I was goin' to Arizona, maybe on to California, eatin' and havin' some wine. <sup>G</sup>
2. My mama called me crazy, I'd better said I'm lazy, gonna show on this time  
Cause you know I ain't no fool and I don't need nobody at school,  
Gonna just score the line.

<sup>G</sup> <sup>D7</sup>  
**CHORUS:** Living on Tulsa time, living on Tulsa time.  
<sup>D7</sup>  
Someone inspect to it cause you don't mean I' been through it,  
<sup>G</sup>  
Living on Tulsa time.

3. Someday I was in Hollywood, thinkin' I was doin' good, talkin' on a telephone line -  
They don't want me in the movies and nobody sings me song  
Promise it, my baby's doin' fine.
4. So then I started thinkin' and I got to winkin', I really had a precious time -  
And I ain't no business greedy that nobody would be greetin'  
Singing on Tulsa time.
